

SOUTHGATE NEWS

CLEANER, SAFER, GREENER SOUTHGATE

Southgate resident, **Cllr Charith Gunawardena** facilitated the launch of the great community initiative led by the energetic **Southgate Community Task Force** to make improvements to Southgate.

The Taskforce will **celebrate the work being done by residents and local businesses**. It will also encourage and support people to get to know their area and launch projects to make Southgate cleaner, safer and greener.

The Cleaner, Safer, Greener Southgate campaign started at the borough-wide Month of Sundays series of street festivals at the Ashfield Parade on the 15th of August. ●

CHALLENGES DRAFT

LOCAL PLAN

The Council's DFL proposes building an excess number of unaffordable homes on the Green Belt, whilst ignoring brownfield sites.

"We can build and should supply affordable family housing on available brownfield sites and protect our green belt." said Cllr Gunawardena.

Have your say. The consultation for the draft Local Plan closes on September 13th.

Local Green campaigners are asking the council to publish all the traffic and environmental data related to the traffic congestion at the Southgate circus and its plans to mitigate them.

Cllr Gunawardena says "We continue to support robust measures to reduce traffic and air pollution that are built on a foundation of social justice." ●
